<ul style="list-style-type: none"> This is my first class at SHSU. This class was great and you are an awesome professor with how you laid out the coursework, and the questions we needed to answer for discussion boards. Great professor! Very attentive to our questions and made the course easy to navigate! Great teacher! Would love to have him again. Highly recommend. It was a good course but it was online. I'm sure it could have been far better in person and the instructor was very attentive.
What technology features in this course contributed to a good online learning experience? -

- It would have been nice to meet my professor in person, from what I could tell about his discussions, he seems like a fun person to talk to.
- Professor Patane course was absolutely great! I would take his courses in the future for two main reasons. One being the pace of work and two being the critical thinking skills he makes one maintain. Thank you again so a great semester!
